Hi: Its nice that Josh says nice things. It was good working with him for Gasland, and we try to keep in touch every so often.

I am in town from the 7th-11th so any of those days would be fine.

Let's propose to him an outdoor interview in FW somewhere, at a place where he can get good background shots.

Also, while I am comfortable speaking to him in a way we'd all feel appropriate, we do have to stay away from the Range/Parker County enforcement action. It is on-going, the subject of litigaton, and so that would be a subject off-limits.

I'm sure Josh will understand.

Best,

Al

Hi there! Great to talk with you and Seth just now. I will be in The Dallas area from Jan 7-11. The optimal days for an interview to take place with Dr. Al Armendariz are the 8th and the 9th. I could possibly work at the afternoon of the 7th or the morning of the 11th if those days don't work.

In reference to our conversation, I would love to interview Administrator Jackson on this topic. Please let me know how best to schedule that.

Thanks so much

Thanks so much for your speedy reply.

I am in a bit of air travel confusion...wait listed on several flights, not sure when I am leaving. Tomorrow is hopefully a travel day. Is there a good time for me to call you?

Josh
