

IER INSTITUTE FOR ENERGY RESEARCH

Lisa Wallace is Senior Vice President of Development and Operations at the Institute for Energy Research (IER). Wallace leads IER's development and outreach programs in this role, including managing a portfolio of donors. She also oversees the organization's operations. Previously, Wallace spent twelve years working on Capitol Hill, including four years at the Committee for Natural Resources, where she helped oversee committee operations. Wallace is a graduate of California State University, Fullerton.
